**Host Schools:**

- Up to two schools may partner to host one of the tournaments
- The Host Schools will be responsible for:
  - Coordinating team registration prior to the tournament
  - Submitting complete registration information to the Tournament Director on supplied spreadsheet template
  - Assisting with Tournament setup, operation, and tear down
- The host school will receive the entry fees as a donation to their club/school's program.

**Entry Fees:**

- There will be \$25 per school/club membership dues for the season.
- The entry fee per school / club will be \$25 per 6 teams for each tournament.

**Participating Club Requirements:**

- Each club must be a member of TBF or BASS with valid insurance coverage
- Each club will be responsible for maintaining permission slips and liability releases for each participant, and for verifying insurance coverage for each captain.
- Each participant over 16 year old must have a valid fishing license
- Each Boat Captain must carry \$300,000 minimum liability insurance

**Points System:**

- A 250 point system will be used for each tournament. First place will be awarded 250 points, second place 249, and so on. Teams participating but not weighing any fish will be awarded last place points minus 50.
- Season end team and school totals will be calculated on the best five out of six events.
- No Substitutions are allowed. Team members are allowed to fish by themselves and accrue points.
- The "Team of the Year" will be awarded to the team with the most points in the season end total.
- School/club points will be accrued by adding the top three teams from each school for each tournament. Season totals will again be calculated based on the best five events.
- A separate Middle School points tally will be maintained for the season.
- The "School of the Year" will be awarded to the school with the most points over the course of the season. School points will be awarded based on the schools finish in each tournament as calculated by their top three teams.

**SC B.A.S.S Points:**

- SC B.A.S.S. has endorsed these six tournaments as events for their BASS Nation High School Team Trail.
- Teams who compete in these events will earn points for the PBC High School Tournament Trail and the BASS Nation High School Team Trail at the same time.

**Classic Qualification:**

- Each school who participated in three of the six events may send a six angler, three boat, team to the two-day classic event in May.
- The School team will be composed of the top three teams in points from the school.
- To be Classic Eligible, each team must participate in at least three of the six tournaments.

**Tournament Registration:**

- Registrations are due in by midnight on Wednesday before the tournament.
- Blast off order will be posted to the Facebook page and the PalmettoBoatCenter.com website on Friday.
- Random slots will be placed in the blast of order for late registrations the morning of the tournament.
- If your school offers a team/club, you must participate with that club.

**Tournament Rules:**

1. Boats must maintain a safe operating speed at all times. Violators will be disqualified.
2. All SC DNR fishing rules and regulations apply during tournaments, including fishing license and boating regulations.
3. Anglers must be 6<sup>th</sup> grade or above have registered roster and paid club dues.
4. All school rules apply during fishing tournaments.
5. Team Jerseys should be worn throughout competition.
6. The lake will be off limits beginning at 12:00 AM Monday of the week of the tournament, through safe light on Friday before the tournament. (Thursday for the two day classic)
7. Safety is the number one concern for these tournaments.
  - All boats must be operated safely at all times.
  - US Coast Guard approved PFD's must be worn at all times by student anglers and boat captains while the combustion engine is running.
  - The boat must have an emergency ignition shut off device that is secured to the driver/captain's body.
  - Boats must be covered by current liability insurance with a minimum of \$300,000.
8. One captain over the age of 18 is required to be on each team's boat at all times during the tournament.
9. Boat Captains:
  - May net fish
  - May not hold a fishing rod
  - May not suggest fishing locations
  - Professional Guides are not eligible to be a boat captain, unless they are an immediate family member of one of the competitors.
  - Professional Fisherman (FLW, Costa, Elite, Opens) are eligible to be a captain, as long as they are an immediate family member of a competitor.
10. Tournaments will have a 5 fish per boat limit. All fish must be largemouth, spotted, redeye, or small mouth bass that are a minimum of 12 inches in length, unless the lake limit is longer, i.e. 14" on Murray and Greenwood. Teams should not possess more than 5 fish at any time during the tournament. Extra fish must be culled immediately on the water.
11. Dead fish cannot be culled. If a fish is foul hooked or accidentally killed, the fish must be kept and brought to weigh in as part of the fish limit. A 1/4 pound or 4 oz penalty for each dead fish will be assessed. This penalty will also apply to big fish, in the event the big fish is deceased.
12. All fish must be caught on artificial lures, and anglers may only use one rod at a time. Trolling is not permitted.
13. Every effort should be made to keep fish alive until they are released after weigh-in. All boats must be equipped with a properly working live well with aeration.
14. On Time/End of day check in:
  - a. Teams will be issued a numbered key float at registration on the morning of the tournament.
  - b. To be "checked in" in the afternoon, the key float must be turned in to the tournament trailed and displayed on the key board.
  - c. Boats that are late to weigh in will be assessed a penalty of 1 pound per minute after the designated check in time.
  - d. After 15 minutes, the team will be disqualified.
15. Tournament rankings will be based on total team weight.

16. If an emergency occurs, the captain or an angler should call 911 first, and then notify the tournament director. Any questions or concerns regarding these rules should be brought to the attention of the Tournament Director
17. Launch sequence will be determined by random draw in advance of the tournament. Any late registrants will be placed randomly into placeholders in takeoff sequence.
18. The violation of a tournament rule by either team member and/or boat captain may result in weight loss, the loss of weight up to a particular time in the tournament day (eligible for a restart), loss of weight for the entire day, disqualification for the entire tournament or, in an extreme circumstance, ineligibility to participate in future events. If a team is disqualified from a tournament their weight will be recorded as 0 lb. However, they will still receive tournament points as if they had just caught no fish. If the director feels that their violation was a willful attempt to gain an unfair advantage or to intentionally cheat, then the director has the right to refuse entry from that team or team members in the future and will inform all members of the situation.
19. Interpretation of the rules will be left to the Tournament Director. All decisions by the tournament director are final.
20. If a rules infraction is observed on the water, **DO NOT CONFRONT THE OFFENDING TEAM.**
  - Document the situation as best as you can, including pictures and video when possible.
  - Take note of the boat manufacturer, color, & Vessel ID if possible.
  - Call the tournament director or host school to report the infraction.
21. By signing the Official Entry Form, signing the sign in form at the ramp, and/or participation in these tournaments, I hereby release PBC Tournament Trails, LLC, its officers, sponsors, hosts, employees, and anyone working in association with them from any damages, injuries, or death that may occur as a result of competing in these events, whether by negligence of the said parties or otherwise to the fullest extent of the law
